COMPANY OVERVIEW

Service-Disabled Veteran-Owned Small Business, 100% owned and operated by a U.S. Army combat veteran, supplying industrial chemicals, lubricants and coatings backed by U.S. manufacturing partners including Eaton Chemical of Riverside, Missouri.

WASTEWATER TREATMENT & WATER INFRASTRUCTURE

- **Sulfide & odor control.** Site-specific oxidizer, nitrate, and nitrite treatment products for sulfide management, odor reduction, and corrosion-risk mitigation.
- **Collection-system maintenance.** Lift-station and wet-well degreasers, FOG treatments, biological drain and line maintainers and odor-control liquids.
- **Treatment-plant maintenance.** Degreasers, lime and scale removers and concrete cleaners for plant equipment, basins and structures.
- **Water infrastructure.** NSF/ANSI/CAN 61 and 372-certified asphalt pipe coatings for potable-water lines.
  Certification documentation available upon request.

CORE CAPABILITIES

- **Industrial & maintenance chemicals.** Butyl and non-butyl degreasers; neutral, foaming and citrus cleaners; rust, lime and scale removers; concrete cleaners and floor care.
- **Industrial lubricants.** Engine oils, hydraulic fluids, gear oils, greases, tractor/transmission fluids and synthetic and specialty lubricants.
- **Coatings & paints.** Industrial and protective coatings, paints and asphalt coatings for facilities, infrastructure and equipment.
- **Fleet & automotive.** Truck and rig wash, brake cleaner, powdered vehicle wash, antifreeze and automotive fluids.
- **Facility & janitorial.** Institutional, restroom and floor-care cleaners; food-service cleaners and sanitizers; hand soap.
- **Road maintenance.** Plant-based dump-bed release agents and asphalt removers for public works and DOT operations.
- **Custom & private label.** Liquid and powder blending and private-label packaging through U.S. manufacturing partners.

DIFFERENTIATORS

- **Domestic-first sourcing.** U.S. manufacturers first; country of origin confirmed per product on every quote.
- **Flexible packaging.** Quarts and pails through drums, totes, LTL, bulk and truckload.
- **Technical documentation.** SDS and technical data with every quote; COA/CoC, application guidance and operator training materials where the manufacturer provides them.
- **Nationwide fulfillment.** Products ship directly from manufacturer and distribution locations, with Kansas City-based freight coordination.
